

Contents

	<i>Page</i>
1. Preparation of 2-acrylamido-2methyl propane-1-sulfonic acid/bentonite composite by radiation polymerization for adsorption of basic violet dye from aqueous solution	
H. H. Sokker, M. Abdel-Kareem, K. Zohdy, M. M. Younes.	965
2. The Protective Role of Grape Seed Proanthocyanidin Extract Against Toxic Sodium Nitrites and Gamma Irradiation Induced Histological Changes in Intestine and Urinary Bladder of Male Albino Rats.	
M. G. Abd El- Azeem, D. Essamy, M. El-Nashar	987
3. Use of Fungi Biomass Grown on Agricultural Byproduct in Removal of ¹³⁴ Cs and (¹⁵²⁺¹⁵⁴)Eu from their Radioactive Waste Solutions.	
H. Moloukhia and S.Ouda	1003
4. Kinetic studies for the use of fermented agricultural byproduct by fungi in removal of some toxic metals from their waste solutions.	
H. Moloukhia and S.Ouda	1015
5. A Novel Method for Determination of T ₃ and T ₄ Hormones Associated with its Physico-Chemical Studies.	
A. A. Abdel-Fattah, Kh.M. Sallam , and K.A. Moustafa.....	1027
6. The Impact of Different Control Techniques of Industrial Irradiation Processing Units (Cobalt ⁶⁰ Irradiator) on Maintaining Safety for Radiation and Environment.	
Keshk,A.B.	1047
7. Solar Passive Modification Increase Radiation Safety Standards Inside Accelerator Building.	
Eid A.F and Keshk A.B.	1061
8. Effects of parsley and camphor oils on mortality and trace elements of <i>Chrysomyia albiceps</i> larvae .	
Rizk, S.A. ; Amin, M.M. and El- Sebaay, S .S.	1075
9. Effects of Triclabendazole and Albendazole on treatment of Fascioliasis	
Mawoad,M.A.F.,Amin,M.M.and Elnashar,D.E.	1091
10. Preparation of 2-acrylamido-2methyl propane-1-sulfonic acid/bentonite composite by radiation polymerization for adsorption of basic violet dye from aqueous solution.	
H. H. Sokker, M. Abdel-Kareem, K. Zohdy, M. M. Younes	1107
11. Influence of Dietary Irradiated <i>Curcuma ionga</i> (Turmeric) on Physiological and Biochemical Parameters of Growing Rats	
Hania F. G. El-Niely, Hikmat M. El-Shennaway and R. G. Hamaza.....	1125
12. The Protective Effect of Antioxidants on Oxidative Stress in Rats Exposed to the 950 MHz Electromagnetic Field.	
N.K.Ibrahim and O.A.Gharib.	1143

13. Effect of some physical treatments on antinutritional factors and fatty acids composition of *Vicia faba* L. seeds .
Amina, A. Aly and Elfaramawy, A. A..... 1157
14. Influence of Exposure to Fractionated Dose of Gamma Radiation and Antioxidants Supplementation to Mice on program cell death induction.
N.Hanafi..... 1175
15. Outcome of Angiotensin II Inhibition in Pregnant Irradiated Rats and their Embryos.
Ramadan, F. L. and Ashry, Kh. M..... 1193
16. A study on radiation energy of Pyramidal shape 1- Effect of housing within a Pyramid model on cancer growth and some blood parameters of mice
Nahed, M. El-Abiad; Salwa, A. Lotfi; Abdel Monsef, A. El Hadary and Gehan, A. Nagi 1211
