

	<i>Contents</i>	<i>Page</i>
1.	Serum leptin and adiponectin levels in breast cancer before and after post mastectomy radio-therapy N. M. Nosseir, PH. L. Abdel -Messeih, S. K. mohamed.....	1225
2.	Optimization of microbial elastase production. A. B. Abd EI-Aziz and A. A. Hassan.....	1237
3.	Characteristic of polymer-impregnated cement mortar: composites: bulk density and microstructure M. M. Younes, S. A. Abo-El-Enein, M. M. El-Safty, M. A. Sadek, K. M. Zohdy	1259
4.	Physico Mechanical Properties of Irradiated Waste Rubber Cement Mortar M. M. Younes	1273
5.	Heat-induced changes in heat shock protein genes expression in crossbred and baladi pregnant cows and their offspring Wagdy K. B. Khalil, Nessim, M.Z., El- Masry, K.A.....	1287
6.	Separation of Cr(III) from Cr(VI) by Triton X-100 Cerium (IV) Phosphate as a surface active ion exchanger K. M. El-Azony, M. Ismail Aydia, A. A. El-Mohty.....	1305
7.	Role of Some Hormones and Blood Components during Pregnancy and Post Partum Periods in Baladi Cows M. Z. Nessim	1319
8.	Effect of Pigment Colouring on Physico-mechanical Properties of Hardened Cement Paste and Response of Colour Intensity to UV Radiation Magdy M. Khattab, Hoda A. Abdel-Rahman, Mahmoud S. Hassan.....	1335
9.	The Role of Serum Leptin and IL-6 Levels in Post Viral Hepatitis Cirrhotic patients Safaa K. Mohamed	1349
10.	Effect of Green Tea Extract on T cell Mediated Hypersensitivity Reaction in BALB/c Mice Exposed to Gamma Irradiation A. M. Hashim, M. M. Ismail Al-kadey, M. H. Shabon, S. M. Hussien.....	1365
11.	A proposed Design of Mechanical System of Industrial Cobalt 60 Irradiation Facility A. B. Keshk, B. W. A. Abo-Shosha.....	1385
12.	Determination of Heat Tolerance Coefficient in Crossbred and Baladi Pregnant Cows under Egyptian Environmental Conditions K. A. EL-Masry, M. Z. Nessim, A. E. Gad	1399
13.	Amelioration of Heat-Stress Conditions of Egyptian Summer Season on Friesian Calves Using Air Condition M. Z. Nessim, Wagdy K. B. Khalil, T. H. Kamal.....	1411

14	Chemical, biophysical and morphological changes of native and treated Phanerochaete chrysosporium pellets for dye biosorption application	
	Ola M. Gomaa and Nabila S. Selim	1431
15	Use of irradiation to ensure microbial safety of fresh-cut green beans sold in Egyptian supermarkets	
	S. A .Abu El-Nour ,	1447
16	Environmental and Irradiation Effect on the Biosynthesis of Biosurfactant by Some Local Bacterial Isolates	
	E. Ghoneimy, S. Desouki, S. Ahmed, M. El-Shahawy, Rasmy, W	1465
17	Morphological Ultrastructure, Distribution and Function of the Antennal Sensilla of the Cotton Leaf Worm Male Moth as Affected by Gamma Radiation and/or Heat Stress	
	Magdia A.M. Hazaa	1485
